Dear Sir/Madam,

Career advice and guidance acts as a stepping stone for success. In the time of globalization, when there are myriads of career options, the students are not able to decide a career which is best for them. The reason for this confusion is hundreds of careers available in just one line. This confusion could easily be clarified with the help of career counseling or guidance.

Knowledge Consortium of Gujarat, Education Department, in collaboration with Gujarat University, Ahmedabad is organizing "Grand Education Fair-2017" on 14-15-16 June 2017 to provide the students with a platform which will allow the students well informed for pursuing further studies and taking up professions within the State, Country and even Internationally, that are most suited to their educational disciplines and skill sets.

Hon. Chief Minister of Gujarat State is going to inaugurate the Education Fair on 14/06/2017 at 10.30 pm. The venue of this program will be Gujarat University Convention Center and Gujarat University Ground, Ahmedabad.

All Universities and selected colleges of Gujarat will be allocated space for showcasing of the courses run by them, admission procedure, fee structure, availability of Hostel and other facilities etc. In parallel seminars on various subjects regarding career guidance (What after 12th), Foreign Education, various schemes of Government of Gujarat for students, Communication and Soft Skills, startup and innovation/entrepreneurship etc. will also be conducted separately
